What is Swagbucks?

Swagbucks (SB) is a legitimate rewards platform that pays users in Swagbucks points (SB) for completing different activities like surveys, watching videos, searching the web, shopping online, and playing games.

- 100 SB = \$1 (approximate conversion)
- Rewards can be redeemed via PayPal cash, Amazon gift cards, Walmart gift cards, and many more.

💰 Average Earnings: \$5 - \$15 per day (depending on activity)

How to Sign Up on Swagbucks

📌 Follow these steps to get started:

1. Go to [Swagbucks official website](#)
2. Click Sign Up (you can use email or Google/Facebook account).
3. Complete the registration process and get a \$5 sign-up bonus (if available).
4. Verify your email and start earning right away!

Best Ways to Earn Money on Swagbucks

- Surveys are one of the highest-paying tasks on Swagbucks.
- Complete daily surveys to earn 40 SB to 500 SB (\$0.40 - \$5.00) per survey.
- Check the Gold Surveys section for high-paying opportunities.

💡 Pro Tip: Use multiple survey routers to maximize earnings.

- Swagbucks TV allows you to watch ads, news, or entertainment clips and earn SB.
- Let the videos run on a separate tab while doing other tasks.
- No effort required—just watch and earn!

💡 Pro Tip: Use mobile apps or extra devices to watch videos faster.

- Use Swagbucks Search (instead of Google) to earn SB for browsing the internet.
- Random rewards of 10-50 SB are given for searches.
- Set Swagbucks Search as your default search engine for passive earnings.
- 💡 Pro Tip: Do 3-5 searches per hour to maximize rewards.
- Earn SB by playing featured paid games on Swagbucks.
- Some games require purchases, but many are free to play.
- Games like Lucktastic, GSN Cash Games, and Mistplay offer great rewards.
- 💡 Pro Tip: Look for promotional gaming offers with high SB payouts.
- Earn SB for every dollar spent when shopping online via Swagbucks.
- Popular partner stores: Walmart, Amazon, eBay, Target, Nike, Best Buy, and more.
- Cashback rates vary from 1% to 20%.
- Get 300 SB (\$3) + 10% lifetime earnings from each friend you invite

Pros & Cons of Swagbucks

✓ Pros:

- ✓ Free to join & easy to use
- ✓ Multiple ways to earn (surveys, videos, shopping, games)
- ✓ Low payout threshold (\$1 for Amazon gift card, \$5 for PayPal)
- ✓ Fast payments via PayPal & gift cards

✗ Cons:

- ✗ Some surveys may disqualify users
- ✗ Watching videos has lower earning potential
- ✗ Cashback earnings depend on shopping habits

How to Cash Out Earnings on Swagbucks

Once you accumulate enough Swagbucks (SB), you can redeem them for:

- 💰 PayPal Cash – 2,500 SB = \$25 (most popular)
- 📺 Amazon, Walmart, Starbucks, or other gift cards – Available for as low as 100 SB (\$1)
- 🎟 Sweepstakes Entries & Charitable Donations
- 💡 Pro Tip: Redeem SB for discounted gift cards to maximize earnings.

Is Swagbucks Worth It? Final Verdict

👉 Yes! Swagbucks is a legit and easy way to earn extra cash online.

- If you actively complete surveys, watch videos, play games, and shop, you can earn \$100 - \$500 per month.
